

## Advanced BeautyGard™ Protective Finish

Naugahyde with Advanced BeautyGard provides outstanding protection in difficult medical and health care environments. Contains agents effective against bacterial and fungal microorganisms.

Cleaning is a breeze with Naugahyde® brand fabric and its Advanced BeautyGard protective finish. While staining and soiling exposures are common to upholstery fabrics, most stain and soiling may be removed by using the simple cleaning methods that follow:

### For Light Soiling

1. A solution of 10% household liquid dish soap with warm water applied with a soft damp cloth will remove most soiling.
2. If necessary, a solution of liquid cleanser and water applied with a soft bristle brush. Wipe away the residue with a water-dampened cloth.

### For Heavier Soiling Not Solved by Above Method:

1. Dampen a soft white cloth with lighter fluid (naphtha) and rub gently. Rinse with a water-dampened cloth.

**NOTE:** Use extreme caution with this method. Complete only in a well-ventilated area and away from any open flame.

**NOTE:** You should try this method on an inconspicuous spot before using it on the original stain/soiling.

### For the Most Difficult Stains Not Removed by the Above Methods:

1. Dampen a soft white cloth with a solution of household bleach (sodium hypochlorite); 10% bleach, 90% water.
2. Rub gently.
3. Rinse with a water-dampened cloth to remove bleach concentration.
4. If necessary, allow a 1:10 diluted bleach solution to puddle on the affected area or apply with a soaked cloth for approximately 30 minutes.

Rinse with a water-dampened cloth to remove any remaining bleach concentration.

**NOTE:** You should try this method on an inconspicuous spot before using it on the original stain/soiling.  
Please Review Carefully

**CAUTION:** Should you desire to use other cleaning methods, carefully try them in an inconspicuous area to determine potential damage to the material. Never use harsh solvents or cleaners which are intended for industrial applications. To clean stained or soiled areas, a soft white cloth is recommended. Avoid use of paper towels.

**CAUTION:** Cleaning products may be harmful/irritating to your skin, eyes, etc. Use protective gloves and eye protection. Do not inhale or swallow any cleaning product. Protect surrounding area/clothing from exposure. Use in a well ventilated area. Follow all product manufacturer's warnings. Naugahyde cannot be held responsible for damage or injuries resulting from the use or misuse of cleaning products.
